

Australian CleanTech Network

GREEN GROWTH SEMINAR

Join us at the Australian CleanTech Network on

Wednesday 22 March 2017

6:00 until 8:30pm

at the **Offices of the Deloitte** at

Level 25, Riverside Centre, 123 Eagle St, Brisbane

Our expert panellists will share their insights on the key components of Green Growth and how to deliver environmental benefits and business growth. They will provide Australian and international examples followed by an interactive panel discussion.

EXPERT PANEL

- **Georgine Roodenrys**, Executive Director, Climate Change Policy
Department of Environment and Heritage Protection
- **Scott Breust**, Industry Investment – Cleantech
Sunshine Coast Regional Council
- **Phil Major**, CEO, Ecofuel Innovations
- **Dr Mike Duggan**, Director, Sustainability Services, Deloitte
- **John O'Brien**, Managing Director, Australian CleanTech (Moderator)

Two Minute Pitches from growth companies looking for investors, partners or just wanting to announce company developments. Please register in advance if you want to pitch.

Details on the 2017 Competition including the New Energy, Smart Cities & Early Stage Cleantech Awards

There is no charge for attendance but bookings are essential.

Please **RSVP by COB on Friday 17th March** at

[REGISTER TO ATTEND HERE](#)

Who should attend?

The cleantech sector comprises industries with both environmental and economic benefits. The Australian CleanTech Network aims to provide education, forge links and facilitate collaboration between the cleantech sector, the finance industry, academia and government services.

Interested in Pitching?

There will be a limited number of companies invited to pitch at each event. If you are interested in pitching, please email pitching@auscleantech.com.au for more information.

For regular updates join the **'BRISBANE CLEANTECH NETWORK' GROUP** on **LINKED-IN**
