

Perth CleanTech Network

Cleantech Solutions for Energy Resources & Mining

WHEN: Wednesday 13th September 2017, 5:30 until 7:30pm

WHERE: WRAYS, 56 Ord Street, West Perth

RSVP HERE

Including presentations from:

- Miranda Taylor, CEO, NERA (National Energy Resources Australia)
- Dr Vanessa Rauland, Climate-KIC Australia
- 2 minute pitches from growth companies looking for investors, partners or just wanting to announce company developments. Please register in advance if you want to pitch.

Miranda Taylor,
CEO, NERA

There is no charge for attendance but bookings are essential.

RSVP HERE by COB on Tuesday 12 September

Who should attend?

Cleantech Solution Providers - The cleantech sector comprises solutions with both environmental and economic benefits including renewable energy, water, waste, energy efficiency, green buildings, energy storage, environmental services and carbon management.

Industry – those companies looking to increase efficiency and decrease costs and liabilities can learn about the sector and meet local solution providers.

Investors – seeking the best emerging companies

Academia – seeking research partnerships

The Perth CleanTech Network provides education, forges links and facilitates collaboration between the cleantech sector, industry, the finance industry, academia & government.

Interested in Pitching?

There will be a limited number of companies invited to pitch at each event. If you are interested in pitching, please email pcnpitch@auscleantech.com.au for more information.
